

OUR LEARNING PLAN

CHESTNUT CLASS

LITERACY

This term we will study the book 'Arthur, High King of Britain' by Michael Morpurgo
We will be developing our understanding of these text types - Narratives, Non-Chronological reports and Explanations

MATHS

We will be continuing to increase our understanding of Shape, Position and Direction and Statistics.
We will also be introduced to the terms of Ratio and Algebra as we apply our arithmetic skills

SCIENCE

We have two big questions to answer this term related to Animals, including Humans - 'Are all mammals pregnant for the same amount of time?' and 'What happens to humans as they get older?'

ART/DT

In our Artwork we will be comparing African and European print designs and considering the differences

In D.T. our focus will be on food and how sustainability impacts on our diet?

LANGUAGES

We will continue to develop both our spoken and written knowledge of the Spanish language this term - focusing on the topic: Being at the Zoo!

GEOGRAPHY

We will be focusing on one key question over this term and that is:

How have cartographers represented London over time?

COMPUTING

In our Computing work we will concentrate on two areas:
E-Books
and
Can technology replace Maths?

MUSIC

In Music we will participate in our whole class music tuition lessons developing our technique to play the violin as we build up our confidence to perform in front of an audience at the end of the Summer Term

PE

OUR PE DAY IS MONDAY

In our PE lessons we will continue to increase our skills in striking and fielding games -Rounders/Cricket.
We will also be developing our Athletic skills as we prepare for Sports Day

PSHE

For the first half term - we will consider if all role models are positive?
and then we will focus on the question
What should I do if I don't feel safe?

RE

This term we only have one question to answer and that is -
If there is a God, why do bad things happen?
This will really make us think!

HOMEWORK - WEEKLY SPELLINGS, READING AT HOME AND ONE PIECE OF BOTH LITERACY AND MATHS PER WEEK
