

# OUR LEARNING PLAN

## OAK CLASS

### LITERACY

We will be focusing on the wonderful book by Enid Blyton called 'The Enchanted Wood'. We will create narratives, pieces of poetry and non-chronological reports this term!

### MATHS

In our Maths lessons we will begin by focusing on Money and Time. We will also consider the areas of Mass, Capacity and Temperature this term

### SCIENCE

We have one big question to answer - Do big plants come from big seeds? This obviously has links to both Plants and Seasonal Change which will focus on this term

### ART

In our learning we will be considering what foods give us the best colours in textiles - this will be an interesting topic!

### D.T.

We will be focusing on Mechanics in our D.T. work this term and attempting to answer the question - How can we improve the speed of a vehicle?

### GEOGRAPHY

We will be thinking of how people live across the world this term - answering the question - How is life different for children across the world?

### COMPUTING

We will consider how does grouping data make life easier? and also secondly using animation - how far can we make vehicles move onscreen?

### MUSIC

In our whole class Music lessons we will be finding out and exploring Calypso music.

### PE

**OUR PE DAY WILL BE THURSDAY ALL TERM**  
For the first half term we will focus on Rackets/Bats and Ball games. We will also increase our Athletic skills in preparation for Sports Day

### PSHE

This term we will focus on two different aspects - What if we were all the same? and then consider our Mental Wellbeing - What colour is happiness?

### RE

In our RE work we will focus on the following question - Are we all the same? We will consider a range of religions in our work this term

**HOMEWORK - READING AT HOME**
